Description :

PDF-9bb20 | Little Flower: A Journey of Caring is the story of a small, potted daisy who is neglected by her family. She finds help and a new place to stay until the people she was living with can learn how to take better care of her. Little Flower also includes healing project ideas for children. These exercises can help other children understand what happens to some children. The activities are useful tools... *Little Flower: A Journey of Caring*
